Register TODAY

www.stellaredsolutions.org

Saturday, January 25, 2014

7:30AM—12:30PM

FSU College of Medicine—Florida State University

115 West Call Street

Tallahassee, FL 32306-4300

Objectives:

- To encourage healthcare providers to offer one pre-pregnancy visit for individuals planning pregnancy, as a component of obstetric care
- To encourage women of childbearing age, men and couples to have a reproductive plan
- To encourage healthcare providers to provide risk assessment and education health promotion counseling to all women of childbearing age as a component of primary care visits, to reduce reproductive risks and improve pregnancy outcomes

Target Audience: Physicians, Nurses, Social Workers, Mental Health Counselors, Nurse Practitioners, Physician Assistants, Dentist, Dental Hygienists, Medical Students, practitioners interested in preconception health

Presenters: Dr. Sappenfield, Dr. Brown, Dr. Friall, and 2 Professional Panels

Fee: \$20.00 (includes breakfast, learning materials and continuing education) & FREE for Medical Students

CE/CME: This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Florida AHEC Network and Florida Department of Health in Leon County, Whole Child Leon, Capital Area Healthy Start Coalition, & FSU College of Medicine. The Florida AHEC Network is accredited by the Florida Medical Association to provide continuing medical education to physicians.

The Florida AHEC Network designates this **live activity** for a maximum of **4.0** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The planners and presenters of this program have no relevant financial disclosures.
